

Joshua Torrence Team Spirit Award Memorial Scholarship

White Knoll High School

Award: \$1,000

Deadline: March 10, 2022

Who is eligible for this scholarship?

This scholarship is for any graduating senior member of the White Knoll High School Football Team who plans to continue their education at any recognized vocational, technical, two-year or four-year college or university.

General Rules

Applicants will be nominated by the Athletic Director and the football coaches at White Knoll High School based on the qualities possessed by Joshua Torrence. Josh was the ultimate team player and contributed to the team with his generosity, relentless work ethic, positive attitude and constant concern for the team. He was willing to get dirty to get the job done. In fact, he always had the dirtiest football jersey and was in the weight room until it closed working to improve.

This is a one-time award and it is not renewable.

A football coach will present this award at the school's annual awards night. A member of the Torrence family will be invited to help present the award.

The Lexington One Educational Foundation selection committee will include the following White Knoll High School representatives: Athletic Director, Director of Guidance, an administrator, and Athletic Booster Club representative (not a parent of a high school senior).

How to apply:

Return the completed application to the White Knoll High School Counseling Office by March 10, 2022
